

WELCOME TO THE **FUTURE** OF PROPERTY INSPECTIONS

Groundwork Inspections serves the Mortgage Lending industry by producing superior exterior property inspections. As a division of a 25-year-old real estate valuation business, our impeccable service record, imaginative solutions and long-standing history of on-time payments to our providers add up to one thing: a team you can count on.

We provide the latest innovative technologies to create property inspection efficiencies and technological enhancements. Together we will bring a new way to serve the residential lending and financial industry.

TECHNOLOGY

- Up-to-date technology allows for faster uploads and less time to complete orders
- **Full mobile site now available!**
 - Receive alerts about pending orders
 - Claim orders from your phone
 - Take pictures with the phone's camera and complete the assignment
- Direct deposit for the fastest and most reliable payment method

GRAB-IT BOARD

- Sends email or text notifications when a new order is posted in your designated service area
- "Grab" several orders at a time making your trips more efficient
- Use your mobile device to claim an order from the "Grab It Board"
- Never miss out on an order – 24/7 access and notifications allow use in the field, at home or anywhere you are

REFER A FRIEND

- Refer an inspector to Groundwork and you get a bonus every time they complete an order
- Refer as many inspectors as you want. There's no limit!
- Dedicated support team available to assist you at any time

We are
committed
to your
success
