

Security and Terms of Use

Security

Accurate Group (“Accurate”) protects data against unauthorized access, disclosure, alteration, destruction, loss, or misuse. Personal information provided by you or accessed through this application is protected by physical, electronic, and procedural safeguards in accordance with federal and state standards. These safeguards include appropriate procedures for access and use of electronic data, provisions for the secure transmission of sensitive personal information on our website, and telephone system authentication procedures. In addition, access to personal information is limited to those employees and agents who need access to personal information in order to offer and provide requested products or services to.

Using This Site and Services

By using this site and services you agree to protect personal information that you have access to against unauthorized access, disclosure, alteration, destruction, loss, or misuse to the same extent that Accurate is required. You are responsible for any activity that happens on or through your account.

Accurate prohibits unauthorized attempts to defeat or circumvent security features, to use the system for other than intended purposes; to deny service to authorized users; to access, obtain, alter, damage, or destroy information; or otherwise to interfere with the system or its operation. You may not post, upload, publish, reproduce, transmit or otherwise distribute information or other material on this site: (i) constituting or encouraging conduct that would constitute a criminal offence or give rise to civil liability; (ii) which is protected by copyright, or other intellectual property right, or derivative works thereof, without obtaining permission of the copyright holder; or (iii) otherwise use this Site in a manner which is contrary to law or which would adversely impact use of the Site or the Internet by other users, including the posting or transmitting of information or software containing viruses or other disruptive components.

If you are found to be in violation of our policies at any time, as determined by Accurate in its sole discretion, we may warn you or suspend or terminate your account. Evidence of prohibited acts may be disclosed to law enforcement authorities and may result in prosecution to the fullest extent of the law.

Account Security

To safeguard your account, usernames and passwords must meet current minimum industry security complexity standards, be treated as confidential information and be different than credentials you use on other third-party sites. If you receive an email regarding a change to your credentials and the request was not initiated by you or if you learn of or suspect any unauthorized use of your password or account, you must change your password immediately and notify helpdesk@accurategroup.com
